

March 2026

Dear Parents,

Having considered the impact of inflation over the past 12 months and the national minimum wage increase from 1st April 2026, we have revised our fees to cover these costs.

Over the last few years we have noticed that the needs of our children have changed which has meant that we have a more flexible and innovative approach to staffing, enrichment for the children to ensure that we maintain the high quality of care and play provision that we have always provided our families.

We are also seeing an increase in late payments which seriously affects our cash flow, to the point that we are spending a lot of admin time chasing late payments which has an impact of its own. Due to this we are changing our payment terms to resolve this. Effective April Invoicing which is sent out on 18th March we will require payment no later than the month end. I am sure you will appreciate that as a small business we need to have healthy cash flow.

Please find below our revised fees:

Breakfast Club

Regular Sessions	£7.35 per child
Ad Hoc Sessions	£8.40 per child

Afterschool Club:

Regular Sessions	£15.95 per child
Ad Hoc Sessions	£17.25 per child
EYFS Regular Sessions	£16.95 per child

(Please note that for some clubs a small rent surcharge may apply – see individual club for details).

We look forward to continuing to provide you and your children with exceptional service which focusses on ensuring all children can access and enjoy their right to play however they want to (safely of course as we all know sometimes those ‘good ideas’ our children have really aren’t!). Should you have any questions please contact Brigid at admin115club.co.uk or call Brigid directly on 01202-331603. Please do not ask staff regarding these changes as they will not be able to answer your questions. Please also note these rate changes will be effective 1st April 2026.

Kind Regards
