

February 2023

Dear Parents,

As you are aware 2022 saw significant Political and Economical shocks which have impacted our running costs and staff retention. As part of this, the National Minimum Wage which has rightly increased each year has this year increased significantly more than in previous years (by 9.7% instead of 6.6%) In prior years (in order to help our parents during the pandemic) we did not factor into our fee increase any other fluctuation in cost such as, food, rent, bills, etc which we absorbed ourselves.

This year, in order to enable us to maintain our ability to provide your children with a safe, fun and creative environment we need to revise our fees to be sustainable. We have had no choice but to factor in our rents and energy as well as costs of food and materials for the clubs which have all increased significantly and is having an impact on each club. In light of these increases in all of our costs we will be revising our fees from April 2023. We have been as mindful as we can of challenges in the current climate and ensured that we are still in line or below other childcare providers. Our new fees are below:

Breakfast Club:

Regular session	£5.75 per session
Ad hoc session	£6.50 per session

Afterschool Club:

Regular session	£12.50 per session
Ad hoc session	£13.50 per session
EYFS session	£13.30 per session

***Holiday Club onsite:**

Early bird session	£31.00
Normal session	£35.00

Trip day:

Early bird session	£35.50
Normal session	£38.00

Please note that these revised fees for holiday club will be implemented on any bookings going forward (excluding February half term). Any bookings already taken for Easter Holiday club onwards will be honoured at the previous rate. We look forward to another year of providing your children a safe, fun place to go and you with peace of mind while you're at work.
