The wrong doll

There was once two men you wanted to adopt a child so they went to the adoption center. They asked for the sweetest little girl they had. The adoption manager said "I know the perfect girl. Come back in two weeks."

Two weeks later...

The men come back excited for they wanted the girl. They loved her first sight her name was Rose. As they drove home the naughtiest girl replaced ~~her~~ herself for Rose! By the time the men had got to her house they had had enough they thought Rose was strictly not sweet.

Thankfully the lady heard Rose's voice and saved her so the men ended up with ROS instead all. ~~Happy~~ Happy!
