The boring stuff:

- Please ensure that we have an up-to-date Registration form for your child. You can find this on our website <https://www.115club.co.uk/reg-form.php>
- Children can arrive & depart at any time during the day.
- Please speak to the Club Leader regarding timings of organised activities or trips.
- Your child will need to bring a packed lunch for the day. We will give a morning and afternoon snack.
- Please ensure that your child brings weather appropriate clothing i.e. a coat as we will try to get outdoors for play each day even with light rain, or hat and sun cream in the hot sunny weather.

115 Club Measures for Covid-19

- We take the safety and well-being of the children attending very seriously and for this reason we have taken precautions to prevent spread of Covid-19.
- Children and Club Staff are encouraged to maintain regular hand washing and sanitising.
- All equipment and areas used will be cleaned and sterilised during the session and at the end of the day.
- Club rooms will be well ventilated.

Mobile Phones/other electronic devices:

All electronic devices should not be brought in for the following reasons:

1. Conflict with the Club vision, which is to encourage and enable children to play and interact with other children.
2. Children have lost expensive games or attachments. This causes disruption as staff are forced to suspend what they are doing with children in order to search for such items. We also seek to avoid a situation where children and their parents are frustrated and disappointed when we are unsuccessful in our efforts to trace these items.
3. Children refusing to turn them off or arguing with each other about them.

We thank you for your help and co-operation with regard to this matter and hope that you appreciate that these measures are in place to ensure a consistent approach to all children attending the Club.

(*Slightly different rules apply to 11 Plus group. Please speak with Club Leader for more information)

BICYCLES AND SCOOTERS: If you would like you child to bring a bike or scooter to use at Club please ensure that they bring helmets & lock so that the children are safe and the bikes can be secured outside if there are a lot. Please note that we will designate an area of the playground for the children to use for this activity. 115 Club cannot take responsibility for any damage or loss of your child's property.
